

WEBSITE DEVELOPMENT — PRE-SALES DISCOVERY

Discovery Questionnaire

Dental Clinic Website Project

Prepared for: Bright Smile Dental Care
Prepared by: Gaurav Singaria — Business Analyst
Date: July 2026 | Doc Ref: BSD-DQ-2026-01

Please complete this questionnaire as fully as possible — it forms the basis of your project proposal and quote.

How to Use This Questionnaire

Thank you for considering us for your dental clinic's new website. This questionnaire helps us understand your practice, your patients, and your goals before we prepare a proposal, timeline, and cost estimate — so what we propose actually fits your clinic instead of a generic template.

- There are no wrong answers — “I’m not sure” or “You tell me” are completely fine responses; we’ll guide you through anything unclear.
- Please answer as many questions as you can. If a section doesn't apply, feel free to skip it.
- This typically takes 20–30 minutes to complete. You're welcome to fill it out over more than one sitting.
- Once returned, we'll schedule a short 30-minute call to walk through your answers before drafting the proposal.
